OUR CAMPUSES /

BRAMPTON /

Davis Campus

Located in Brampton, one of Ontario's fastest-growing cities, the Davis Campus is home to our applied health, community services, engineering and technology programs. Our Davis Campus is our largest, and named after the founder of the Ontario college system, former premier William G. Davis.

Featuring:

- Three Centres — the Centre for Advanced Manufacturing and Design Technologies, the Centre for Healthy Communities and the Centre for Mobile Innovation.
- A three-storey library and learning commons with open space for collaboration.
- A new building for our skilled trades and apprenticeship programs.
- A beautiful pond at the centre of the campus.

MISSISSAUGA /

Hazel McCallion Campus

Grand and gorgeous, our Hazel McCallion Campus – or HMC as we call it – is tucked right in the heart of Canada's sixth-largest city — Mississauga, Ontario.

Featuring:

- The Pilon School of Business.
- The latest in technology to facilitate collaborative learning and bring the Creative Campus idea to life.

We also opened our new HMC B-Wing this year, which includes:

- A creativity commons where students can mingle and collaborate.
- A public Gallery showcasing the creativity of the Sheridan community.
- The Institute for Creativity.
- The Material ConneXion Library, an extensive collection of innovative materials set to inspire the next generation of design and architecture students.

OAKVILLE /

Trafalgar Road Campus

Located in the beautiful city of Oakville, our Trafalgar Road Campus is filled with energy. Here, arts, technology and humanities students mix and mingle to create a thriving – and diverse – atmosphere.

Our Trafalgar Road Campus features:

- Our renowned Faculty of Animation, Arts and Design.
- An on-campus art gallery which showcases work from students, faculty, staff and alumni.
- Theatre Sheridan, which puts on several theatre productions every year in its two performance theatres.
- The Canadian Music Theatre Project, an incubator for new musicals which earned renown as the starting point for the highly successful Broadway musical, *Come From Away*.
- A state-of-the-art soccer pitch for our varsity Bruins soccer and rugby teams.

INTERNATIONAL CENTRE

Sheridan's International Centre has a dedicated and supportive team of professionals that are ready to help our international students every step of the way. Our wide range of services include:

- Advice on selecting a career-oriented program, admission requirements and registration.
- Workshops and advisement services.
- Information on study permits, work permits and temporary resident visas (TRV).
- Enrollment Verification Letters.
- Health insurance, SIN (Social Insurance Number), scholarship and bursary information.
- Peer-to-peer support through international student peer mentors.
- On and off-campus social activities to help acclimatize international students to Sheridan and the community.
- Outbound and inbound exchange support.

International scholarships and bursaries available. For more information please visit www.studyatsheridan.ca

HOW WE CAN HELP

The Centre for Student Success is the starting point for all Sheridan students. With one location at each campus, we're open year-round to help you transition to college life and to succeed in your academic program.

Student Success Officers answer your questions, provide information and appropriate on-campus referrals. Student Advisers work with you to develop options, set goals and determine next steps.

From orientation through to graduation, we connect you with the people and support that you need.

We offer a variety of orientation events, programs and services designed to help orient and support you; we have something for everyone.

Got Questions? Get Answers.

ACCESSIBLE LEARNING

We offer a wide range of services for students who identify as having a documented physical, learning, mental health or temporary disability. Accommodation plans and services are tailored to correspond with your documentation and program-specific requirements.

GETTING YOUR CAREER GOING

Career Counsellors assist you in determining the career and educational path best suited for you. Employment Consultants assist you with résumé and cover-letter writing, developing a job search, interviewing techniques and portfolio

GAINING CO-OP/INTERNSHIP WORK EXPERIENCE

Co-op and internship programs provide you with valuable and relevant on-the-job work experience while completing your studies. You'll apply theory to practice, develop a meaningful view of the working world and cultivate an awareness of yourself as a professional.

COMMUNITY EMPLOYMENT SERVICES

Community Employment Services offer comprehensive employment tools to graduates and students. This includes access to a resource centre, workshops, employment counselling and job development.

WELLNESS

Counsellors can assist you in identifying solutions to concerns that may be impacting your academic and personal achievement.

Health Services offers daily walk-in visits with a registered nurse and scheduled appointments with medical doctors. You can also access lifestyle and health counselling, immunization clinics, and health care for urgent matters and minor treatments.

For more first year information, please visit: firstyear.sheridancollege.ca

LIBRARY AND LEARNING SERVICES

Sheridan's libraries feature extensive resources and offer a variety of study spaces (collaborative, group study or quiet space). library.sheridancollege.ca

TUTORING CENTRES

Tutoring is available at all campuses through Library and Learning Services. Book an appointment with a tutor through our online booking system at sheridan.mywconline.com

Staff tutors provide tutoring to Sheridan students at no additional cost in a variety of subjects, such as English, Math, Computer Programming and Chemistry.

Staff tutors are co-op students who work in the Tutoring Centres on each campus.

Peer tutors offer course-specific tutoring in subjects outside of those provided by the staff tutors.

Peer tutors are Sheridan students who have an A-grade in the course they tutor in, an overall B-grade average and are referred by professors.

Practice in conversation skills, basic computing skills and presentation skills are also available in a group setting.

Peer-Assisted Learning (PAL) Leaders are available in some first-year courses too. PAL leaders are Sheridan students who help other students review notes, discuss readings, develop study skills, and prepare for tests and assignments.

CENTRE FOR EQUITY AND INCLUSION

The Centre for Equity and Inclusion fosters learning and working environments that are welcoming, inclusive and free of all forms of harassment and discrimination, by collaborating with stakeholders, such as departments, Faculties and individual Sheridan community members.

Residences: living on campus

Sheridan offers three on-campus residences, one at the Davis Campus and two at the Trafalgar Road Campus. The Davis residence in Brampton houses 350 students. The Trafalgar Road residences in Oakville collectively house 824 students. Students attending the Hazel McCallion Campus in Mississauga can conveniently live at the Davis residence. Students can utilize the Sheridan shuttle bus to travel between the three campuses.

Residence includes:

- Utilities
- Cable television
- Wi-Fi
- Bi-weekly housekeeping
- Local telephone access
- Common spaces to enjoy: games rooms, movie lounges, kitchens, study areas and fitness rooms.

Complimentary Residence package for International students who move into residence in September and stay for the full academic year.

Trafalgar Residence: \$7,400*
Davis Residence: \$6,910*

To guarantee your spot in Residence for the 2018/19 Academic Year, and learn about application dates and costs for Residence, please visit sheridanresidence.ca.

*This rendering is only an approximation of your living space in Residence. Fees based on 2017/18 rates and are subject to change.

An inspiring education includes big experiences outside the classroom. At Sheridan, you'll be surrounded by enthusiastic students creating and exploring amazing extracurricular experiences at each campus, in our local communities and throughout our GTA home.

CLUBS: GET CONNECTED

Join one of over 50 official clubs organized by the Sheridan Student Union — or start your own. From interior design fans to dance lovers, ping-pongers to LGBTQ pride, there's lots of choice here to get you engaged and meeting new friends. Get involved or get informed at the Sheridan Student Union's website

sheridanstudentunion.com. Or visit their blog at **thecircuit.ca**

VROOM, VROOM

Sheridan's business and engineering communities teamed up to create Sheridan Motorsports — the governing body for Formula SAE cars. The business students brand, market and raise awareness of the sport. The engineering students design and build the cars.

SISA: A HOME AWAY FROM HOME

The International Student Association (SISA) helps international students create a home away from home. Our goal is to promote cultural diversity and build a strong international family. Get involved with your new community and build a more comfortable life in your new country and college.

TOASTMASTERS: IMPROVE YOUR PUBLIC SPEAKING SKILLS

Available at all three campuses, Sheridan's Toastmasters club helps you improve your communication and public speaking skills in a no pressure, supportive environment.

ENGINEERING CLUB

Have a great idea that you don't know how to bring to life? Sheridan's Engineering club will help you shape it.

INTRAMURALS AND SPORTS: PLAYFUL POSSIBILITIES

Veteran or novice, casual or competitive, you have plenty of choice in Sheridan's intramural sports leagues, including co-ed options for a great balance of sport and sociability.

FITNESS FACILITIES: GET PUMPED

At Sheridan, you also have plenty of options for working out and staying fit. We offer a unique selection of athletic facilities, ranging from double gyms for basketball, volleyball, indoor soccer and badminton to weight rooms to squash courts to outdoor fields.

ATHLETICS: BELOVED BRUINS

Cheer on — or play for — the “double blue.” Fielding men’s and women’s teams in basketball, rugby, volleyball, cross country and soccer, the Sheridan Bruins compete in the Ontario Colleges Athletic Association (OCAA) and the Canadian Collegiate Athletic Association (CCAA).

LIVELY AND LOCAL

The Marquee pub at the Trafalgar Road Campus and The Den at the Davis Campus are great spots to meet new friends, enjoy good food and participate in a variety of events. Drop by and experience concerts, variety nights, pub nights, hypnotist shows and much more! The Hazel McCallion Campus is also a vibrant community with many opportunities to participate in events such as ping-pong, The Next Big Idea (where you can create a product, an app or develop an idea for a chance to win up to \$1,000) and open mic nights.

1. Find the right program for you

Research, research, research! Talk to friends, teachers, guidance counsellors, family members, colleagues — they can all help you make the right choice. Our website at [sheridancollege.ca](https://www.sheridancollege.ca) has a wealth of detailed information on all the programs we offer, the kinds of careers they lead to and how to get in.

If you need help deciding which program works best for you, we have several online tools at [careeradvising.sheridancollege.ca](https://www.careeradvising.sheridancollege.ca) to assist you.

2. Check the admission requirements

Check the admission requirements for your program of choice online or pages 9–23. International applicants must meet the course equivalencies of the Canadian admission requirements. For full details on additional, program-specific requirements (such as portfolios or résumés), go online to [sheridancollege.ca](https://www.sheridancollege.ca) and then to the programs you're interested in.

3. Apply online and pay the application fee

You can apply online at <https://internationalapplication.sheridancollege.ca/>

You'll need a computer with an Internet connection and a way to pay the application fee (VISA, MasterCard or Bank Wire Transfer). The "equal consideration" date for September intake is February 1 (we encourage you to apply before then). We'll accept your application after that date provided the program is still open as indicated on our website.

4. Submit your documentation

In order for us to process your application, all academic documents must include your Sheridan ID number and date of birth. Please upload academic documents <https://internationalapplication.sheridancollege.ca/SubmitDocument1.aspx>

Note: Only upload documents if you have completed a successful application and received a student ID number. Please note that these documents must be accompanied by a notarized, official translation into English along with original transcript in native language. DO NOT include portfolio attachments. (Refer to the Applicant Selection Information for specific portfolio instructions. Applicants to programs which require a portfolio assessment will have access to view this information via myStudent Centre using their account information.)

5. I've applied. Now what?

Please check your myStudentCentre account for any additional admission requirements that may be required such as a portfolio. Please be sure to meet all deadlines for accepting your offer and paying your fees. Decisions to applicants will be communicated by email. Applicants who are offered admission to a program must accept their offer. Once we receive your acceptance of our offer of admission, the invoice for your program will be available online through myStudentCentre.

For information on study permits, including how to apply and processing times, please visit the website of Citizenship and Immigration Canada - www.cic.gc.ca

What you need to get where you want

UNDERGRADUATE

Applicants may be admitted to Sheridan as full-time students if they have an Ontario Secondary School Diploma (OSSD) or equivalent high school diploma including one senior-level English or equivalent IELTS/TOEFL plus any additional required courses listed. Eligible applicants will be selected on the basis of their previous academic achievement.

ONTARIO COLLEGE GRADUATE CERTIFICATE PROGRAMS

To be considered for admission an applicant must have a minimum postsecondary diploma or degree.

Eligible applicants are selected on the basis of previous academic achievement, and/or demonstrated experience and additional admission requirements where required.

ENGLISH PROFICIENCY

All applicants to Sheridan must demonstrate competency in English and may be required to complete English testing. Sheridan recognizes valid TOEFL and IELTS scores.

Applicants with a minimum of three years high school in Canada, Australia, Ghana, Kenya, Nigeria, New Zealand, Singapore, U.S., U.K. and some Caribbean* countries will be exempted from TOEFL/IELTS requirements upon provision of a full transcript.

Applicants from Canadian curriculum high schools outside of Canada with minimum of three years high school credits will be exempted from TOEFL/IELTS requirements upon provision of a full transcript.

**Excluding International applicants from Cuba, Dominican Republic, Haiti and Puerto Rico.*

Successful completion of at least two years of study in an accredited college in English is sufficient to demonstrate competency in English.

Successful completion of at least one year of study in an accredited university, or successful completion of a one-year post-graduate certificate at an accredited college in English is sufficient to demonstrate competency in English.

Sheridan reserves the right to require proof of proficiency in English from any applicant, or applicants, from individual schools, school systems, regions or countries.

Applicants may be required to complete English testing to demonstrate proficiency.

Sheridan recognizes the following assessments and minimum scores for admission consideration (only one (1) official result is required):

Sheridan knows what employers are looking for. A Sheridan education provides the skills students need to succeed in today's workplace - as problem-solvers, critical thinkers and collaborators. The employers who hire our students tell us that they begin their careers ready to hit the ground running — and that they make an observable positive impact from the get-go.

Over the years, top companies have hired our students for their co-op placements and beyond. Our students and alumni get jobs in industries such as:

- Banks
- TV and animation
- Government
- Daycare centres
- Manufacturing
- And many more

ALEX'S STORY

"The reason I chose Sheridan was because they had a really high employment rate after graduation. I think that's probably because of their co-op program. Learning in the field helps students prepare for what comes after graduation."

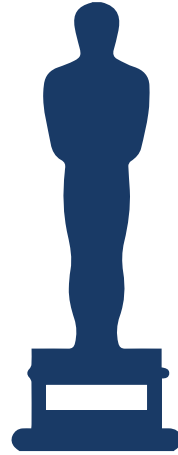

Park says she'll be extra prepared for joining the workforce. "The tech industry changes so fast, and Sheridan is managing to keep up. Some schools are teaching very old technologies. Sheridan teaches those too, but balances them with the latest technologies...So whatever I'm faced with on the job, I'll be able to use."

In March 2017, a Sheridan student was named Canada's Co-op Student of the Year – the fifth consecutive year a Sheridan student has been honoured nationally.

Faculty of Animation, Arts and Design

Sheridan's Faculty of Animation, Arts and Design (FAAD) is the largest art school in Canada. Some know us for our world-renowned animation program. But we also enjoy an excellent reputation across the creative spectrum.

Our graduates are leaders in their industries and consistently the most sought-after by the best and biggest employers in the business. Highly visible on Broadway, during Oscar-nomination season, and in the art and design world, our successful alumni are living proof that we know how to turn your creativity into a compelling career.

Faculty of Applied Science and Technology

The acronym for Sheridan's Faculty of Applied Science and Technology is FAST. This is not an accident. Our high-intensity programs are fast-paced and forward-looking. They teach you to be agile with applied knowledge and problem-solving skills. And they give you more opportunities and more flexibility in a rapidly changing world.

Informed by close collaboration with top industry and postsecondary partners, a FAST education places you at the cutting edge of emerging industry trends. We know what employers want because we work directly with them. And so will you, as the majority of students get the opportunity to work directly with employers and industry partners. You also benefit from learning the latest technologies and real-world problem-solving skills.

English as a Second Language (ESL)

Sheridan offers full-time, intensive English as a Second Language (ESL) classes for students who want to improve their English skills. The program features:

- Five levels of instruction: Foundation, Pre-intermediate, Intermediate, Advanced and English for Academic Purposes (EAP). EAP can provide students with a conditional acceptance into a diploma, degree or post-graduate certificate at Sheridan.
- Students will be placed in the appropriate level based on their choice of TOEFL, IELTS or Sheridan's on-campus placement test.

ESL sessions last seven weeks (25 hours of study/week) and cost \$3,252 CDN. This includes tuition, health insurance and use of the computer lab.

Upon successful completion of all the courses in the EAP program, students will receive a General Arts and Science Ontario College Certificate. Successful EAP graduates can apply to other programs at Sheridan with no further testing required.

Choose the start time that works best for you!

Program begins:

- January 8, 2018
- March 5, 2018
- May 7, 2018
- July 3, 2018
- September 4, 2018
- October 29, 2018

Sheridan ESL Level Placement

(Each level is 14 weeks long comprised of (2) 7-week modules. Students must complete both modules to complete a level.)

Level	Duration	IELTS Academic	TOEFL iBT (internet based test)
Foundation	14 weeks	1.5- 2.0 (lowest skills at 1.5)	32 (no score below 8)
Pre-intermediate	14 weeks	2.5-3.0 (lowest skill at 2.5)	36 (no score below 9)
Intermediate	14 weeks	3.5-4.0 (lowest skill at 3.5)	44 (no score below 11)
Advanced	14 weeks	4.5-5.0 (lowest skill at 4.5)	56 (no score below 14)
EAP	14 weeks	5.5- 6.0 (lowest skill at 5.5)	72 (no score below 18)

- Students are placed in an ESL level according to their lowest individual skills score either in their IELTS Academic or TOEFL scores. For example, if a student has an IELTS Academic 5.0 for Speaking and Listening, an IELTS Academic 4.5 for Reading and an IELTS Academic 4.0 for Writing, the student will be placed in the Intermediate level.
- IELTS Academic or TOEFL score is valid only if it was taken no more than 6 months before arrival to Sheridan.
- Students who have a pre-placement (based on IELTS Academic/TOEFL scores) may take the Sheridan ESL Placement test on arrival to challenge their placement level. Students who take the Sheridan ESL Placement test on arrival will not be placed lower than the level in their pre-placement, provided their IELTS/TOEFL test score is still valid (no more than 6 months before arrival).

Post-Graduate Certificates

These programs are one-year post-graduate programs that generally require applicants to hold a postsecondary diploma or degree. They offer students the opportunity to further hone their skills and obtain practical experience that will help gain a competitive edge in the job market.

In the cities

As a Sheridan student in the ever-vibrant Greater Toronto Area, you can find and do whatever makes your world turn, from nature explorations to night life, world-class festivals to local treasures.

BRAMPTON: BEAUTY INSIDE AND OUT

Brampton is fast becoming known as a creative and cultural hub in the Greater Toronto Area. Young and diverse, Brampton boasts 175 ethnic backgrounds and a great mix of restaurants, boutiques and festivals. With plenty of lakes, parks and 267 km of trails, there are also hundreds of reasons to get outside.

MISSISSAUGA: LAKESIDE LIVING

Canada's sixth-largest city is also one of its most intriguing. Located on the shores of Lake Ontario, Mississauga offers beaches, marinas, parklands and trails for all kinds of outdoor fun. It's also a great place for arts, with galleries including the Gallery for Emerging Young Artists. Other highlights include free concerts in Celebration Square and the Festival of Cultures, which is the largest multicultural festival in Ontario.

OAKVILLE: CHARACTER AND CHARM

Oakville is 30 minutes from downtown Toronto and only an hour's drive from Niagara Falls. It's an appealing place, from the old-world feel of downtown to multicultural Kerr Village to the waterfront Village of Bronte. Restaurants, cafés and galleries fill the downtown core, which also hosts the Oakville Jazz Festival during the summer.
