

REACH FOR YOUR FUTURE WITH ACADEMIC CAMP 2024

In a world where technology's pace never slows, the need for essential skills has never been more critical. Elevate your creativity, problem-solving, adaptability, ethical awareness, teamwork, critical thinking and more with Academic Summer.

Since 2008, we've been a pioneer in academic camps, providing a unique blend of academic engagement, language mastery and practical application.

Whether you're aiming for academic excellence in GCSE, A Level, or the IB Diploma, or planning your pathway to university or your dream career, Academic Summer can equip you with the tools to excel in a rapidly changing world. With our camps, you can grab the future with both hands.

Helen Lami
CEO

WHAT IS IMPORTANT FOR ME AS THE CEO?

- To Challenge and Inspire: Unleash your potential and create **lifelong** memories
- Top-tier Team: Our managers, teachers and camp counsellors are the best, highly experienced and well-trained
- Exceptional Care: Safety is paramount – health and well-being come first
- Tailored Approach: Personalised learning, certificates, individual reports and CPD accredited. Be a Leader qualification are all included
- Unforgettable Locations: Amazing, unique backdrops, state-of-the-art facilities, great food and quality teaching
- Value and Simplicity: All-inclusive fees to make it easier for you
- Excellence: Maintaining 5* feedback and BAC accreditation
- Fun and Adventure: A summer filled with growth and joy
- Small Class Sizes: Maximises the bespoke learning experience
- Something for Everyone: Adventurers (age 7-11); Explorers (age 12-14); Engagers (age 15 to 17)
- Content Language and Integrated Learning (CLIL): The dynamic teaching method fuelling all our courses and driving Academic Summer's success!
