ATLAS JUNIOR SOCIAL PROGRAMME

We believe that in order to get the most from our programmes, students should be exposed to English not just in the classroom but in a variety of environments and contexts. That's why our social and cultural programme is so important to us and why we spend so much time and energy making sure that it is as vibrant and interesting as possible.

Our fully supervised social and cultural programmes are designed to provide students with more opportunities to use their English outside the classroom. The activities and excursions are integrated with learning in the classroom so that students can get the most out of the cultural visits.

TESTIMONIALS

It's the first time I have travelled to Ireland and taken part in the Atlas Junior programme. It's so much fun and I'm looking forward to coming back as soon as possible. I love the English classes, trips to Dublin and all the other activities, because you make contact with a lot of people from different countries and cultures, and have so much fun. You don't even realise that you are improving your English skills!

LISA MARIE VOGELGESANG, GERMANY

It is the first time that I have studied in Atlas and I've had a great experience. I have made many friends from all around the world. The teachers make the classes really fun. I'm sure Atlas is the best!

HIBIKI YAMADA, JAPAN

Atlas Language school have been fabulous! I've had loads of fun! The classes have been really dynamic and I've learnt a lot of new vocabulary. The teachers don't let us get bored. I've participated in a number of different activities throughout my stay and all of them have been fantastic. I'm looking forward to coming next year.

MARIA DOMINGUEZ GOMEZ, SPAIN

I've studied at Atlas two different times. I think that it is a very beautiful and interesting experience because you can meet a lot of people from different places and countries. The teachers are very funny and friendly, and the lessons are really fun too.

GIULIA SCOPPA, ITALY

I have had a lot of fun at Atlas. I have made a lot of friends from different countries. The lessons are really good. The teachers are awesome, they make the lessons much easier. I'm planning to come back again.

ZAHRA MOHAMMADSAEED ALMANASEF, SAUDI-ARABIA

This is the first time I have been to Atlas Junior programme and I have fallen in love with it. Everyone here is outstanding in a positive way. The teachers are some of the most creative and charismatic people I've met in my life and my host family is really friendly. The best two weeks of my summer!

JEREMI ZAJAC, POLAND

I've never been to Atlas before but I have made a lot of friends here, I really like this school! I will be back again next year! It's the best!

EGOR DOROSHEV, RUSSIA

Each year we send many junior groups to countries and cities all around the world. I can honestly say that the atlas are one of the very best schools we have ever worked with. The staff are incredibly professional and a pleasure to deal with while the academic programme, standard of accommodation and level of service is of the very highest quality. We have sent juniors to Atlas for over 10 years and during that time they have become one of our biggest partners - I really can't recommend them enough!

OSCAR PORRAS, MIDLETON, SPAIN

I have been sending groups to Atlas for several years and the feedback I receive, both from students and group leaders, is always fantastic. The quality of teaching is outstanding and the social activities are fun and engaging. Another point of excellence of this programme is the accommodation: Atlas host families are experienced and welcoming and they really make the students feel at home. Moreover the staff is always professional, friendly and ready to help. I'm looking forward to sending more groups to Atlas Junior Dublin!

BARBARA SANTUZ, DESTINAZIONE LINGUE, ITALY

We stayed in Atlas for a fortnight last July. It was our third stay and I must say that everything was perfect. The host families are very caring and adaptable to our various schedules.

The classes are based on different activities which encourages students to talk, which is the skill that causes the most problems in their school at home. The teachers are kind and willing to help, even the weakest students - Nobody's left out in the group. I can't wait to go back to Atlas next summer with a group (some of the students who have come this year and want to come again next year, so it's a good sign and the best publicity you can get!) I would highly recommend Atlas for junior students who want to improve their English having fun!

SYLVIE BOGAS, ENGLISH TEACHER AND MANAGER OF EASY ENGLISH, FRANCE

We have had a successful partnership with Atlas for over 10 years and have had only happy and satisfied students. Atlas always tries to accommodate all needs and requirements of the students and they have extremely friendly and helpful host families. The students always mention the fantastic social programme activities and excursions!
