Live life to the fullest

Explore the world with us, where learning, growth, and unforgettable experiences are at the heart of everything we do. Our programmes are made to give you the skills you need to succeed in today's world, explore new cultures and make friends for life.

Discover your potential

For over 75 years, we've been helping young people discover their full potential. We focus on you as a person, not only on your studies. Whether you want to learn a new language, get ready for your future job, or simply discover yourself, we have something for you.

Give back & make a difference

We care about making a difference in the world. **The Bayswater Foundation's** aim is to make learning accessible to those less fortunate. Our One for One initiative matches every week bought and offers free language learning to communities in need.

Explore your world

Our eleven schools are located across five countries and offer the perfect study-abroad experience.

United Kingdom

London

London is for big thinkers, creative minds, and international ideas. It's the city that never stops, and you'll find our school in the heart of it.

Leeds

Voted the UK's best student city, Leeds offers an authentic slice of British life. It's vibrant, student-friendly, and rich in history. It's also home to the Leeds United football team.

Brighton

Locals call Brighton 'London on the sea.' Just an hour outside of the capital, it's easy to see why.

Liverpool

Experience UK's friendliest city, known for its culture, architecture and varied music scene.

Bournemouth

Incredible beaches, a lively town centre, and stunning green spaces. City life and natural beauty blend together perfectly.

Canada

Vancouver

One of the most beautiful and liveable cities in the world, it's surrounded by mountains and beaches and home to over 120 parks.

Calgary

Vast lakes neighbour impressive mountains. You'll find exceptionally friendly people ready to make you feel at home.

Toronto

Whether you're catching a hockey game, enjoying live music, or experiencing a local street festival, this city has it all.

South Africa

Cape Town

Located on the tip of Africa, Cape Town is home to beach-life, hiking, safaris and epic natural beauty.

France

Paris

The city of romance and lights, Paris will make you fall in love while ticking off iconic sights in no time.

Cyprus

Limassol

Your island adventure begins here! From water parks to ancient ruins, and 300 days a year of sun!

Your home away from home

We're here to help you find accommodation that fits your lifestyle and trip goals. Each option is carefully chosen for your comfort and safety, ensuring you feel right at home from the moment you arrive.

Choosing Your Home:

Our handpicked accommodations give safety, top-notch amenities, and prime locations.

Student Support:

We're with you every step, from choosing the perfect fit and checking in to providing ongoing support throughout your stay.

Residences:

Connect with students from around the world in vibrant communities. Our residences offer great facilities for remote work and study.

Homestay:

Live like a local with a host family. Share meals and experiences while immersing yourself in the culture and practicing your language skills.

"I moved into a homestay and joined a family who were happy to show me around the neighbourhood. Although it was my first trip to London, I felt like a local right away."

Teaching philosophy

How we teach impacts
what you learn

Our approach:

Innovation

Our curriculum evolves to stay ahead of industry trends. Hands-on and project-based learning encourages collaboration and critical thinking.

Real-World Application

Working with classmates to solve problems, present ideas, and practice communication makes it easy to work within a team when you start working.

Expertise

Our qualified instructors bring industry insights and knowledge to the classroom. Their passion makes them the perfect partner on your journey.

Industry Connection

We team up with businesses to share trends, arrange company visits, and host guest speakers. This helps you navigate the future of work.

AI in the classroom

We'll show you the tools and how to use them, relevant to your area of study. You'll gain experience in how to apply AI in a practical or professional setting to be able use it and get comfortable with it.

How you'll benefit:

Develop your critical thinking

Build your collaboration skills

Strengthen your communication

Grow your confidence

Gain working knowledge of AI

Global upskilling

Earn a Global Skills Certificate

This digital certificate shows the skills you've gained while studying with us for 4 weeks or more. This additional certificate will help you stand out when creating your resume.

Grow your global skills:

Communication and Intercultural Competence: Communicate effectively in different situations and engage with people from diverse backgrounds.

Critical Thinking: Assess information carefully to make well-informed decisions.

Collaboration: Work productively with others to achieve shared goals.

Problem-solving: Identify and resolve problems using practical strategies.

AI and Digital Literacy: Use digital tools and AI resources effectively and confidently.

Presentation Skills: Deliver clear and engaging presentations to various audiences.

What are global skills?

Global skills or soft skills, are the ability to thrive in international settings.

Typically you don't learn these in the classroom - our approach changes this and makes it possible.

Collect Digital Badges

Push your potential even further with our badges. You'll get the opportunity to gain these through additional activities while studying with us. You can easily add these to your LinkedIn profile or CV, to stand out to future employers.

Volunteering:
Demonstrate your commitment to giving back to the community.

Leadership:
Recognise your potential as a future leader (Student Ambassadors).

Employability:
Highlight your job-readiness and career goals.

Networking:
Showcase your ability to build professional relationships.

What are the benefits?

What this means for students:

Build your digital professional profile and resume to easily show your skills and potential to stand out.

What this means for employers:

Find potential talent easily, with assurance that skills and accomplishments are authentic.

Leverage our focus on global skills to make your future great.

Language courses

Learning **English and French** at Bayswater is about more than just memorising vocabulary and grammar rules. You'll learn to not only speak, but communicate confidently and effectively in any setting.

Here's what sets us apart:

Master the skills of today:

Our programmes focus on critical thinking skills like analysing information and solving problems creatively. You'll learn to think on your feet and develop innovative solutions.

Communication champion:

Collaboration is key in today's world. Through teamwork and group projects, you'll build your ability to communicate effectively with others from diverse backgrounds.

Confidence through practice:

Presentations and discussions are easier when you practice your skills. We'll help you build the confidence to express yourself clearly and confidently.

Real-world ready:

We use a unique "mediation assessment" method that encourages conversation. This ensures you can use language effectively to communicate, understand others, and be understood.

Giving back

The Bayswater Foundation believes that education unlocks potential. We strive to bridge the gap between opportunity and circumstance. We're about empowering individuals and building stronger communities.

What do we do?

Dedicate our time, knowledge, and funding to support children and charities in our students' home countries.

Raise awareness and actively participate in causes we believe in through fundraising initiatives and inviting guest speakers from charities to speak to students.

We encourage our students to give back to the world, promoting our values by fostering responsibility for both people and the planet.

How do we do it?

Our One for One initiative matches every week bought by our students and donates it to the Bayswater Foundation.
