ILSC JUNIOR & FAMILY CAMP PROGRAMS POLICIES

CANADA

ADMISSIONS POLICY

ILSC's Junior Programs have set start dates and lengths. Minimum age for Junior Programs varies depending on the program:

- For Junior Camps at ILSC Campuses, students must be between 13-17 years of age
- For Family Camps, children must be between 8-17 years of age (adult pricing applies for anyone 18 or older)

- For Junior Camp Winter Experience at ILSC Vancouver and Junior Camp Winter at ILSC Vancouver 2026, students must be between 9-17 years of age

VISA

It is the parent/guardian's responsibility to contact their local embassy/consulate office in order to obtain any visa/entry documents required for visiting Canada

POLICY ON DIGNITY AND RESPECT

Canadian and American Society recognize differences and diversity. This requires that all people be treated with dignity and respect. As one of the School's explicit goals is to keep developing a humanist, people-caring community, it is school policy to support these principles, and to maintain an environment free from all types of personal discrimination and harassment, or bullying.

All students are assigned to Student Advisors based on their nationality. Students are encouraged to speak with their Student Advisor if they feel unsafe in any way while studying at the school. Teachers are in daily contact with students, and are often the first to recognize if a student is experiencing personal challenges.

Teachers are encouraged to refer students to Program Directors or Student Advisors if they are expressing discontent. Teachers are expected to communicate to Program Directors in cases where students' behavior is viewed as inappropriate or unacceptable. In cases where counselling does not yield positive results, the student may be suspended from further study. In cases where behavior is extremely offensive or hurtful, the student may be dismissed from the school.

ATTENDANCE

In order to get the maximum benefit from your study at ILSC, you are expected to attend class regularly and on time. You need to attend at least 80% of your classes each session, as part of the requirement to receive a credit for each course taken. You are required to speak with your counselor if you need permission for unavoidable or excessive absences.

DISMISSAL POLICY

Students must keep good attendance and attend at least 80% of their classes. Students must speak only English/French when on school premises. If these expectations are not met, students will receive counseling. Then, after appropriate warnings, students will be expelled. Likewise, if a student's behavior is inappropriate by the school's standards, the above procedures will be followed.

Any of the following, if substantiated, will result in immediate dismissal without a warning letter or probationary period, and police will be summoned, as required:

- Sexual assault
- Physical assault or other violent acts committed on or off campus against any student
- Use of drugs or alcohol which is illegal for minors in Canada
- Verbal abuse or threats
- Vandalism of school property
- Theft

ENGLISH/ FRENCH* ONLY POLICY

In order to encourage the use of English/French, we have an English/French Only Policy in the school. This means that whenever you are in the school or participate in the class/school activities, you must speak English/French.

**French only applies in Montréal only*

PAYMENT OF FEES

Non-refundable deposit of $350 (CAD) for Canadian Junior Programs to cover the registration fee must be made at time of registration. The balance of the fee must be paid a minimum of 2 weeks prior to your first day at ILSC.

CANCELLATION & REFUND POLICY CANADA

To receive a refund of any portion of program fees, you must give ILSC written notice that you intend to withdraw from the program in which you have enrolled. If your study permit or visa is denied, ILSC will retain the $350 non-refundable deposit.

If you cancel in writing before your program starts, you will receive a refund of the following percentage of your program fees:

- Less than 7 days after your registration is submitted, and at least 30 days before the program start date: the greater of either 75% of the total fees due or total fees minus $350
- 30 days or more before the program start date: 75% of the total fees due
- Less than 30 days before the program start date: 60% of the total fees due

If you cancel in writing or are dismissed from ILSC after your program starts, you will be refunded the following percentage of your program fees:

- Less than 10% of program completed: 50% of total fees
- 10–30% of program completed: 30% of total fees
- More than 30% of program completed: 0% (no refund)

If you are eligible for a refund under the conditions above, you will receive the refund within 30 days of ILSC receiving written notice of cancellation or ILSC's notice to you of dismissal.

Note: Because they are less than 6-months in length, Junior Camps at ILSC-Vancouver do not need to be approved under BC's Private Training Act, and you may not file a claim against the fund with the trustee in respect of these programs.

DISPUTE RESOLUTION POLICY

ILSC encourages its students to talk freely about their lives and experiences in the school. Comments about the school's program help everyone to learn and become better. Students should share any difficulties or challenges they are facing. The teachers, student counselors and school administrators are available to listen to and guide students. If a student has a difficulty with the school itself, which cannot be corrected through discussion, then the student can present his/her concern in writing to the school director, who will, in discussion and in writing, address and resolve the dispute.

If the dispute remains unresolved after bringing the dispute to the school director, ILSC students may file their complaint with the Private Training Institutions Branch (PTIB) of BC for Vancouver students; Languages Canada for Toronto or Montréal students.

For Junior Camp at Toronto - Operated by CISS programs, your information is handled by both ILSC and CISS, and both of our Privacy Policies apply. Please view CISS's Privicy Policy on their website: https://www.cisscanada.com/about-us/privacy-policy/

On the second occurrence, the student receives a letter of probation, where the incident is stated and the conditions of the probation are outlined.

The student will be dismissed from the school when it becomes apparent that there is neither the desire nor the ability of complying with the probation terms. It is necessary to supply the student with a letter and at the same time a statement of charges. In all cases the probation and dismissal must be well documented. This means that under normal circumstances the student must have advance knowledge that dismissal is a real possibility should the student fail to meet the probation terms.

Any of the following, if substantiated, will result in immediate dismissal without a warning letter or probationary period, and police will be summoned, as required:

- Sexual assault.
- Physical assault or other violent acts committed on or off campus against any student.
- Verbal abuse or threats.
- Vandalism of school property.
- Theft.

Concerns related to a student's conduct shall be referred to the Program Directors to process in accordance with this policy.

This does not remove the right to appeal under the appeals process. Students who are expelled for the above acts will be required to stay away from the school until the appeals process is determined. The refund policy will apply.

DISPUTE RESOLUTION

ILSC encourages its students to talk freely about their lives and experiences in the school and in Australia. Comments about the school's program help everyone to learn and become better. Students should share any difficulties or challenges they are facing. The teachers, student counselors and school administrators are available to listen to and guide students. If a student has a difficulty with the school itself, which cannot be corrected through discussion, then the student can present his/her concern in writing to the school director, who will, in discussion and in writing, address and resolve the dispute.

- This agreement does not remove the right to take action under Australia's consumer protection laws.
- ILSC's dispute resolution process does not circumscribe your rights to pursue other avenues and other legal remedies.
- We aim to have a solution presented to you within seven days.
- If it is not possible to resolve the dispute internally, via the process above, you may choose to contact the Overseas Student Ombudsman. If you wish to lodge an external appeal or complain about this decision, you can contact the Overseas Student Ombudsman. The Overseas Student Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Student Ombudsman website www.oso.gov.au or phone 1-300-362-072 within Australia for more information.
