Quality you can trust

We have been running successful programmes for young learners for many decades.

Our professional team is focused on delivering the very best experience for every student.

Official accreditation

Our year-round schools on the UK are registered with the UK Government Department for Education and inspected regularly by Ofsted.

Our UK centres in Beckenham, Bournemouth and Oxford are accredited by the British Council.

Kings is also a member of Young Learners English UK.

Our top priority: care for our students

Caring for our students is a huge responsibility. We take it very seriously.

That's why our rigorous care and support programme is central to everything we do.

We have specific policies and procedures in place for all younger learners who attend our programmes.

Our value promise

A young boy with dark hair, wearing a blue jacket with red trim over a white and blue striped shirt, is smiling and looking towards the camera. He is sitting at a desk. To his right, a young woman with brown hair tied back, wearing a grey off-the-shoulder top, is looking down at a document on the desk. In the background, another person wearing a pink cap is visible, slightly out of focus. The setting appears to be a classroom or a study area.
