Junior Programme

Our language classes feature engaging activities that emphasise communication and the core skills (Speaking, Writing, Reading, and Listening) whilst building knowledge of key grammar and vocabulary. These classes are complemented by everyday activities that will let you explore the city and experience its culture.

Future Leaders

As well as Junior Programme courses, LSI offers a Future Leaders programme where students develop transferable skills crucial to succeed in later life. These are life and career skills including: leadership, responsibility, initiative, and resilience; as well as critical thinking, collaboration and communication skills.

Summer A-Level

Get a Real Taste of University Preparation with our Summer A-level courses. Students will attend Academic English Classes plus 3 A-Level subjects. Depending on what your group would like to focus on, we recommend the following streams: Art and Design, Business Management, Computer Science, STEM or pick and mix subjects. Minimum English Level: B2.

6-11 years old – Family Programme

Students are grouped by age, and our teachers differentiate activities based on each student’s English level to ensure effective and engaging learning for everyone. In some centres, students can also choose to add three afternoon in-house activities to further enhance their learning experience in a fun and supportive environment.
