Industry Experience

A highlight of our academic programme. Students participate in workshops and lectures led by industry professionals in their respective fields. This experience provides an invaluable insight into real world applications of their chosen subject.

Graduation Ceremony

To celebrate the hard work of all our students, our college programmes end the two-week course with a lively graduation ceremony. Students receive a certificate of completion, a signed letter of reference and end the night with a formal meal and party.

Prepare for University

Explore your chosen subject through a series of university-style teaching methods, including lectures, seminars, and tutorials. Plus you'll receive a tour of the local universities.

Develop Key 21st-Century Skills

Vital for today's world, these skills will shape their future beyond the classroom and into their career.
