YOUR LESSONS

20 lessons per week of General English designed to focus on building communication skills and confidence in using English inside and outside the classroom.

LESSONS AND CLASSING

Students are asked to self-certify their current level of English at the time of enrolment.

Students on all Juniors courses, regardless of age, will take a placement test before student arrival via an online link.

Then, depending on the student intake of that week, they are either:

- Placed in groups according to their level.
- Taught in a mixed-ability class with differentiated objectives.

THEME OF THE WEEK

- Every week our lesson and activity programme is based around a theme, such as Food, Global Culture, Science and the Environment.
- Students learn useful language and skills, which they can then use in their end-of-week project, with their fellow students from a whole range of countries.
- Students present their projects at the end of each week, which can be in the form of a film, a presentation, a drawing, a song and much more.

YOUR TEACHERS

- St Giles teachers use a communicative approach to engage students and help them learn effectively.
- We employ a range of English language teachers who are committed to providing enjoyable and beneficial language lessons.
- We will ensure that all our students leave their course feeling more confident, able to speak to an audience and with a wider range of vocabulary and functional language.

WORKBOOKS

During their stay, students create a workbook that stands as a portfolio of their work to show their family and friends.

It includes accomplishments of the week, the targets they have reached, work based on their excursions and records of language learned.

GRADUATION

At the end of their course, students enjoy a ceremony to celebrate completion of their programmes. They receive a certificate showing their level of English, length of stay and a full report provided by their teachers.

YOUR JUNIOR PACKAGE

At St Giles Juniors, enjoy an unforgettable British experience at university and boarding school locations. Our all-inclusive programmes offer English lessons, accommodation, meals, supervision and exciting activities!

Unaccompanied Minors: Any student travelling as an Unaccompanied Minor (UM) must pay our UM fee of **£63 per single journey** in addition to the transfer fees and any charges levied by the airline. All individual students under the age of 13 must travel as an **Unaccompanied Minor** and pay this fee. Prior to arrival please check the regulations of your airline. If you are deemed an Unaccompanied Minor under your airline's policy, you must also pay our UM fee.

St Giles Juniors offers a 'meet and greet' service at Gatwick and Heathrow airports between the hours of 08.00 and 20.00 on Sundays. For students travelling on different days or times or to a different airport or terminal we will book an assisted pick-up/check-in with our taxi supplier. The breakages deposit will be returned to students with a deduction made for loss of keys and/or personal damage to any property of the school, or for any liability incurred by the school resulting from the individual student named on our enrolment form, or which is non-attributable to any individual student, but which can be reasonably held to be caused by students of the school (in the sole opinion of St Giles Schools of Languages Limited (UK)).

If we face additional costs for damages in excess of the deposit amount, these charges will be passed on.
